

Curriculum vitae

Laura Godó

Scientific Career

- 2020- Assistant Research Fellow, 'Lendület' Seed Ecology Research Group, Institute of Ecology and Botany, Centre for Ecological Research

Education

- 2016-2020 Environmental Sciences PhD, University of Debrecen
- 2013-2016 Biologist MSc – Faculty of zoology, University of Debrecen
- 2010-2013 Biology BSc – Faculty of ecology, University of Debrecen

Research Topics / Interests

- Seed dispersal: zoochory; human-vectored seed dispersal
- Soil disturbance: effects on the species composition of grasslands
- Human-wildlife conflicts: roadkill
- Small mammal communities: monitoring
- Environmental education: promoting scientific results; nature-friendly solutions
- Birds of prey: monitoring; species conservation

Grants and awards

- 2022-2023, Hungarian National Research, Development and Innovation Office, “*Mecenatúra*” R subprogramme: *participation in a conference abroad*, as „principal investigator”, Centre for Ecological Research
- 2021-2022, Human Capacities Grant Management Office, Hungarian Ministry of Human Capacities, *National Talent Programme, Scholarship for the Nation’s Young Talents (NTP-NFTÖ-21-B-0095)*, supervisor: Balázs Deák, Centre for Ecological Research
- 2020-2021, Human Capacities Grant Management Office, Hungarian Ministry of Human Capacities, *National Talent Programme, Scholarship for the Nation’s Young Talents (NTP-NFTÖ-20-B-0003)*, supervisor: Balázs Deák, University of Debrecen
- 2019-2020, Hungarian National Research, Development and Innovation Office, *New National Excellence Programme (ÚNKP-19-3-I-DE-391)*, supervisor: Balázs Deák, University of Debrecen
- The third prize for the best oral presentation for young scientists of the 16th Eurasian Grassland Conference in Graz (Austria) and Slovenia from 29 May – 01 June 2019
- 2019 Proposal of Universitas Foundation, University of Debrecen
- 2018-2019, Human Capacities Grant Management Office, Hungarian Ministry of Human Capacities, *National Talent Programme, Scholarship for the Nation’s Young Talents (NTP-NFTÖ-18-B-0171)*, supervisor: Balázs Deák, University of Debrecen

- 2016-2017, Human Capacities Grant Management Office, Hungarian Ministry of Human Capacities, *National Talent Programme, Scholarship for the Nation's Young Talents (NTP-NFTÖ-16-0068)*, supervisor: Zsolt Végvári, University of Debrecen

Participation in scientific research projects

- 2022-2023, Hungarian National Research, Development and Innovation Office
“Mecenatúra” N subprogram: promoting scientific results, as „investigator”, principal investigator: Orsolya Valkó, Centre for Ecological Research

Memberships

- 2019- Eurasian Dry Grassland Group „member”
- 2018- MTA DAB Ecological Working Committee „member”
- 2017- BirdLife Hungary Bükki Local Group “deputy secretary”
- 2015- Hungarian Montagu’s Harrier Working Group “member”
- 2013- BirdLife Hungary “member”,
